FRONTLINE SUBSTITUTE JOB NOTIFICATION SYSTEM

Frontline is the division's cloud based substitute system. This system was introduced to our substitutes and employees for the start of the 2015-2016 school year.

We make every effort to put your name into the system within five working days after all of your employee paperwork is completed and you have attended an orientation session. Please do not request to begin working prior to this time. Your handbook includes the Substitute Quick Start Guide for Frontline. Please refer to this guide to use the system by logging in from the web or for calling Frontline.

Please contact the Personnel Office at 382-5100 (Ext. 1070), if all of your information has been turned in and you believe your name should be in the system.

There are several ways to secure substitute job openings. You have the ability to look for available jobs by logging in to Frontline, you can and/or will be called by Frontline for jobs, or you may be contacted directly by a teacher or administrator for a job.

You will only see jobs in Frontline for which you are qualified and only for locations where you have selected to work. To log in to Frontline, type www.frontlinek12.com/Frontline in your web browser's address bar. Enter your ID number and PIN, and then click Login. To call Frontline, dial 1-800-942-3767. You'll be prompted to enter your ID number (followed by the # sign), then your PIN (followed by the # sign).

If you accept the job, you will be given a job number. While all schools may not use the job number as job verification, we recommend that you have the number of the job when reporting to the school.

Call-out times are from 6:00 p.m. to 10:00 p.m., and 6:00 a.m. until approximately 12:00 noon.

SUGGESTIONS:

Call the system or log in to review your jobs. This will allow you to know if someone (roommate, spouse, etc.) accepted a job on your behalf or to confirm a job in the event you might have accepted a verbal offer from a school administrator.

If you receive a call from Frontline and do not wish to be called again that day, you will be given options to do so. **Please be careful to not push the option to never be called again.**

You may enter non-work days in Frontline if there are particular days or date ranges that you are unavailable accept jobs. Please enter the reason. Also, please notify Angela Carr in Personnel at 540-382-5100 (Ext. 1070) or by e-mail angelacarr@mcps.org if you will be unavailable to work for an extended period of time.

If you need to make changes to the information that is on file and in the system, i.e. name, address, phone number, subjects/grades or schools where you are willing to serve, please contact our office 382-5100 (Ext. 1070). We will update the information. Please note, that changes of address must be submitted in writing. Also, name changes can only be made when you present a new Social Security Card in person at the Human Resources office.

Principals are provided with a list of substitute teachers. This listing includes an ID number (not your Social Security Number) which is assigned to you by Frontline. This allows principals to assign you in Frontline for a particular job.

Please Note -

If you have accepted a job, which is later cancelled, Frontline will notify you.

If you need to cancel a job that you have accepted, you must

1. Cancel in Frontline
2. Call the school

Don't decline a job just because you receive a 'last-minute' call from the system and will not be able to report on time. It is acceptable to accept the assignment in Frontline and then call the school to advise them of your projected arrival time.

You should also be aware that principals can request that you not substitute at their school. If this happens, they should notify both the Personnel Office and you to inform you that they are putting you on their “do not use” list. Being placed on a school’s “do not use list” will not preclude you from being called for substitute assignments at other locations. However, notifications from several schools will prompt a review by the Director of Human Resources and may result in permanent removal from the substitute employee pool. In this event, your Frontline account will be disabled and a written notification will be sent to you.
