Grades and Attendance

The Grades and Attendance link gives you an overview on your child's grades and attendance.

Your child's schedule appears with the current grades. Q1 and Q2 are the 9-week marking periods, and the S1 is the semester grade. Both grades are real time according to what has been entered into the teacher's grade book. If you click on the letter grade you will be shown a listing of the individual grades that make up the letter grade.
